10. Storage Limits

Storage is calculated as the total data footprint per organisation, including uploaded files, database records, and email attachments. When the limit is reached, uploads are blocked until storage is freed or an upgrade is purchased. Additional storage add-ons:

- 50 GB extra storage: USD 10/month
- 250 GB extra storage: USD 40/month
- Custom storage: Contact sales for pricing

11. User Limits

User seats are counted as unique active accounts within an organisation. Deactivated users do not count toward the seat limit. Additional seats on the Professional plan are priced at USD 4 per user per month.

NOTE: Guest users (view-only access) are free and unlimited on Professional and Enterprise plans.

12. API Access

15. Billing Cycle

Monthly subscribers are billed on the same calendar date each month. Annual subscribers are billed once per year on the subscription anniversary. Pro-rated charges apply when upgrading mid-cycle; downgrade credits are applied to the next invoice.

16. Accepted Payment Methods

- Visa, Mastercard, American Express, Discover (all regions)
- PayPal (all regions)
- ACH bank transfer (USA only)

- SEPA direct debit (EU only)
- Wire transfer (Enterprise plan only; USD 25 processing fee waived for invoices over USD 5,000)
- Purchase orders (Enterprise plan only)

17. Invoice Generation

Invoices are automatically generated and emailed in PDF format within 24 hours of payment. Invoices can also be downloaded from the Billing section of Account Settings. Each invoice includes: company name, billing address, VAT/GST number (if provided), line-item breakdown, applicable taxes, and a unique invoice number.

18. Taxes

Prices are exclusive of taxes. Applicable taxes (VAT, GST, sales tax) are calculated automatically based on the billing address and added to the invoice. Customers providing a valid VAT/GST registration number may qualify for reverse-charge treatment in applicable jurisdictions.

19. Frequently Asked Pricing Questions

Can I switch plans mid-cycle?

Yes. Upgrades take effect immediately and are charged on a pro-rated basis. Downgrades take effect at the start of the next billing cycle.

Is there a setup fee?

No. There are no setup fees on any plan. The optional Professional Onboarding add-on is a paid service but is not required.

What happens if I exceed my storage limit?

New file uploads will be blocked. Existing data remains accessible. You will receive email warnings at 80%, 90%, and 100% of your storage limit.

Can I get a custom quote?

Enterprise customers can request a custom quote by contacting sales@abctechnologies.com or calling +1-800-222-4570.
